Philip Anderson

ATTORNEY · GRANT & ASSOCIATES LAW FIRM, P.C.

Philip joined Grant & Associates in 2024, quickly gaining an appreciation for the legal challenges facing those who live along the Front Range and across Colorado. Philip has a passion for assisting people, and seeks to provide sound legal counsel, no matter what his clients are facing. Throughout law school, Philip gained experience in transactional law, including contract law, regulatory law, and compliance through externships with the Memphis International Airport and FedEx Logistics. Additionally, Philip gained valuable experience in family law and estate planning through clerkships with Memphis-based law firms. Prior to attending law school, Philip earned his degree in Social Studies Education and taught high school history in Memphis, Tennessee. Philip then went on to earn his law degree from the Cecil C. Humphreys School of Law at the University of Memphis, where he developed a strong foundation in legal analysis, client advocacy, and long-term planning strategies. After completing his legal education, Philip relocated to Colorado with his wife, Alexis, to be closer to family. During his free time, Philip enjoys spending time with Alexis and their dog, Beau, cheering on the Broncos, and spending time in the mountains.
