Sunita Sharma joined Grant & Associates in September 2026. Since earning her law degree in 1997, she has served communities along the Front Range as a prosecutor, a city attorney, a municipal judge, and an attorney in private practice, handling everything from criminal and civil litigation to family law, estates, and municipal matters.

Sunita began her career as an Assistant City Attorney for the City of Greeley, prosecuting criminal cases and handling civil litigation in both state and federal court. She later served as an Assistant City Attorney for the City of Loveland, where her work centered on administrative law, transactional matters, and representing boards and commissions at public hearings. She has also served on the bench as Municipal Judge for the Town of Gilcrest and as Deputy Municipal Judge for the Town of Berthoud.

In private practice, Sunita has handled civil litigation, family law, landlord-tenant, and municipal law matters. She opened her own practice in 2012, focusing on family law, trusts and estates, municipal law, and personal injury. In 2020 she returned to the City of Greeley as an Assistant City Attorney, concentrating on criminal prosecution, commercial contracts, and liquor licensing, before joining Grant & Associates.

Sunita earned her Bachelor of Arts in English from the University of Washington in Seattle and her law degree from the University of Denver College of Law. In law school she served as a junior partner in the Lawyering Process course from 1995 to 1997 and was a staff member of the Preventative Law Journal, which published her article "Colorado's Governmental Immunity Act – Employees Not So Immune" in its Spring 1997 issue.
